<label for="m1">Maths</label>

<br>

</div>

<hr>

<button>submit</button>

</form>

</body>

</html>
```

Output :

Example of checkbox:

A section displaying checkboxes with labels for "Marathi", "English", "Hindi", and "Maths". The user can select multiple subjects.

Example of radio button:

A section displaying radio buttons for "Marathi", "English", "Hindi", and "Maths". The user can only select one subject at a time.

Submit button:

A submit button at the bottom of the form.
